The Punishment Of My Enemy State Canada

"My Eye sees all, My son, including all the wickedness done in Canada. The globalist state will be destroyed by My Hand, and none other, for I see all the works of Satan against My people, and shall be no more. My son, I shall destroy from right to left,

and from top to bottom, and Canada shall be no more, only in memory. The great state of Canada, the North Land, shall be destroyed by Me, a people too lazy to do anything themselves shall by My survivors, trusting in Me, their Living God. Yes, I Am God, and recompense belongs to Me, for I Am the God of recompense. All globalist nations shall tremble and fear for what I shall do to the North Land, for judgment is Mine, and vengeance is Mine, and A God of Vengeance I Am. So tremble and fear oh enemy nations at what I can do, for fury is Mine, and A Furious God I Am at the workers of wickedness. And Canada shall be no more, for what the enemy was plotting shall be stopped in its tracks. For I monitor all the movements of My enemy Satan, and track down all his lairs, for the enemy is nothing before Me, and all his workers of wickedness less than nothing, for I control all, and all his movements are countermanded by My movements, for I Am the ultimate chess player, and who can beat Me? Thinking in realms beyond your experience, I Am the Ultimate God in all areas of experience, and beyond, and the enemy is nothing before Me, the Living God. Your LORD has spoken, amen."
